Editor's Note: I apologize to all Pacific Rim Maltese Club Members for not having created and sent the monthly newsletters for the past three months. The only excuse that I can offer for his delay is because of the unforeseen events that have occurred, and the recent death of a family member.

I am including with this newsletter June 2006 Club meeting notes for those who do not have internet mail. Those of you who have been receiving the Newsletter through the internet should have already received this one.

I am uncertain at this point just how much longer I will be your Newsletter Editor. I have felt that because I have not been able to keep up with everything that's going on in the Maltese World that there may be others who could do a much better job at it than I. If you are interested in creating the Newsletter, please contact Char Woltner, or myself. I would be happy to work with you in learning the process I use.

Whether or not I continue to do this, I would like to mention that your input is absolutely essential. Those of you who have helped me by submitting articles of general interest, I give you my thanks. For those of you who have information to submit, I asked that you please edit and condense it first before sending it to me.

Thank you, - Van Vandervort
